

The Reidsville Downtown Corporation invites you to become part of the growing downtown community with our "Sponsor a Bench" Campaign

Earlier this year, the Reidsville Downtown Cooperation (RDC) asked its Design Committee to organize an *Amenities Task Force* to choose the design for the new benches and trash receptacles that will be positioned throughout our downtown. They have completed their task.

The prototypes for the new benches and trash receptacles have been placed in front of the Library on Morehead St. Go by, take a look and have a seat!

Prototypes for the new bench and receptacle have been placed in front of the Library on Morehead St. Go by and take a look.

We are now launching our "Sponsor a Bench" campaign not only to help finance to the *Downtown Amenities Fund* but to provide opportunity for community ownership in your downtown renaissance.

Want to participate? Here's how:

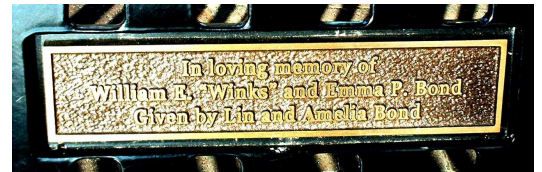

\$1000 sponsors a bench with a 2x10" bronze plaque inset

You may designate a bench

"In honor of..."

"In loving memory of..."

"Given by..."

Have a favorite spot or family history downtown? On a first-come-first-term basis, you may ask that your bench be placed at or near certain location. We will do our best to accommodate such requests.

ORDER FORM

I WOULD LIKE TO:

1) _____ Sponsor a bench at \$1000
In honor of ~ In memory of ~ Given by (circle one)

Location option _____

2) _____ Make my tax deductible contribution to the *Downtown Amenities Fund* of the RDC (any amount is welcomed)
